Live Implant Surgery: Basics and Beyond.

With Dr. Ben Kellum and Dr. Bryan Kariya

Join Transcend Dental Education in one of the nation's only live-surgical implant courses. Develop the skills to treat and restore more of your patients as you learn the foundational principles of implant surgery and digital restoration with Dr. Ben Kellum and Dr. Bryan Kariya.

Course Objectives:

- Analyze patient needs and conduct digital treatment planning for dental implants.
- Identify potential treatment complications and explore possible mitigation.
- Apply basic-to-intermediate site preparation and surgical techniques.
- Plan and place single-tooth implant and/or edentulous full-arch implants.
- Utilize both guided and free-hand surgical techniques.
- Prepare restorative options and techniques using digital technology.
- Employ pain management to aid in implant patient recovery.

Instructor - Dr. Ben Kellum

Dr. Ben Kellum earned his Doctorate in Dental Surgery from the University of Oklahoma. After graduation, Dr. Kellum completed a 1-Year AEGD residency program in Pocatello, Idaho focused on comprehensive implant planning and treatment. He spent several years in private practice at a full arch denture and implant clinic before transitioning to Program Director of The Foundry Dental AEGD residency Program in Birmingham Alabama. Dr. Kellum is passionate about using his background in full-arch implant surgery and restoration to expand access for patients completing drug recovery and rehabilitation.

Instructor - Dr. Bryan Kariya

Dr. Bryan Kariya completed his dental training at the University of Oklahoma's College of Dentistry. Dr. Kariya worked in private practice in Nevada, Utah, and Oklahoma, where he fostered a passion for digital dentistry. Dr. Kariya worked closely with Dr. Kellum while completing a one-year AEGD residency focused on implants and related prosthodontics.

Together, Dr. Kariya and Dr. Kellum operate Transcend Dental Clinic, a community clinic providing implant and denture access to underserved populations in Huntsville, AL.
